TEST INSTRUCTIONS

READ OUT: This showcard gives you the kind of information you might find on the back of a container of ice cream that you just bought at the supermarket.

I need you to look at this showcard, and then I’m going to ask you to answer some questions. Please have a good read of the information. Let me know when you are finished and we’ll move on to the questions.

HAND SHOW CARD TO RESPONDENT AND GIVE THEM A MINUTE OR SO TO READ IT – THIS SECTION IS NOT TIMED, SO GIVE THEM AS LONG AS THEY NEED.

DO NOT ANSWER ANY QUERIES ABOUT THE INFORMATION ON THE LABEL.

WHEN RESPONDENT IS READY, READ OUT:

READ OUT: I’m going to ask you to answer some questions related to the nutritional information that is on this label. The answers to all the questions can be worked out using the information on the showcard I just gave you.

Don’t worry if you can’t answer all the questions. Some of them are designed to be difficult so not everyone will get them all correct. Please take as much time as you need to answer each question. I can repeat any question you didn’t understand.

IF RESPONDENT APPEARS TO BE STRUGGLING, SAY “Would you like me to repeat the question?”

IF RESPONDENT IS REALLY STRUGGLING TO ANSWER, SAY “Ok, don’t worry if you can’t answer this question, some of them are designed to be much harder than others. Let’s try the next one”.

RESPONDENTS ARE ALLOWED TO GO BACK AND CHANGE AN ANSWER IF THEY REALISE AT ANY POINT BEFORE THE END OF THE SECTION THAT THEY HAVE MADE A MISTAKE – BUT DO NOT TELL THEM THIS UNLESS THEY REQUEST TO CHANGE AN ANSWER.
